U.S. Marine Corps

Age: 34

Hometown:
Carmichael, California

Gave his life on:
September 24, 2005

I love the Marine Corps and the people it draws. I love being a Fireman, but I was ... a Marine first. I can't explain the love I have for the people of America, even those who criticize what we do. Most people in the world don't have an inkling of what freedom is, including many here, sadly.
