Tell everyone I got their letters, tell everyone I'm doing fine. I miss you and dad, I miss my sisters.

I miss my wife and baby girl. They say I have a job to do now, I'll be back when it finally ends. Pray for me, pray for my soul Ma. I'm trying to do the right thing, I hope you all feel the same.

We are so proud of you son. Whoever said freedom is free never loved a soldier.

Love you Josh & miss you deeply. Mom, sisters & baby girl.
